PERFORMANCE APPRAISAL WORKSHOP

The Performance Appraisal (PA) Workshop is designed to:

- (1) Impress the participants with the importance of PA as a managerial tool,
- (2) Provide participants with current Agency policy guidance,
- (3) Provide a variety of approaches which can increase the rater's objectivity and decrease trends toward escalation in ratings,
- (4) Clarify the function of the narrative segment of the Fitness Report and the utility of the interview.

This one-day workshop will emphasize the exchange of experience and opinions among participants and the discussion of the merits of different strategies to overcome barriers to effective PA. A wide range of reading on theory and research concerning PA is made available.

PLACE Chamber of Commerce Building, Room 236
